I can do Wednesday also. I just do not know if Todd and Hal will be back by then. Do you want to plan for Wednesday and then if Todd and Hal are out we can move it back?

I can not do 1:00p on either day and I believe Brenda will be out both days. How about Wednesday?

Benda, Philip and John,
Stop me if Todd has already talked to you guys about this. Hal and Todd are in the field today and tomorrow helping another program. But based on the letter we received from El Paso (see attached) we request a short conference call with you guys to talk about a path forward towards listing for the Wilcox site. I suggest this Thursday or Friday at 1:00. Would one of these times work for you?

Thanks!
Amy
